Accordingly, the replacement drawings filed with the petition under 37 CFR 1.182 may be included in the patent application publication if the drawings are in compliance with 37 CFR 1.84 and 1.121(d) and if they are entered into the Office file wrapper of the application before technical preparations for publication of the application have begun.

If a petition fee or processing fee was submitted with the replacement drawings, then the fee has been refunded.
